

Teambuildings

Strengthening of the team spirit, professional training on disposal and creation of a "circular economy mindset"

True Waste Crime

Crime game solving a true crime case related to waste.

Waste Cashing

Geocaching in small groups: different types of landfills in various countries are explored via Google Earth and Google Street View.

Utopia Prototyping

Joint co-creation of a vision of a positive, purposeful future

- Optional: focus on "World without wastes"
- Optional: related to the respective company's product/service

Value Gallery ("Ist das Kunst oder kann das weg?")

Estimation game on the value of works of art (incl. NFT's) and other objects, which stimulates reflection on value creation mechanisms

Value-Auction

Fictional auction listing various "items" for sale (e.g. artworks, NFTs, waste, natural resources, intangibles such as "true love", etc.)
